

COP 21/ CMP 11 side events uploads to SEORS

Party/Organization	Title	Upload (Yes/No)
Action Against Hunger (ACF)	Let's create a climate against hunger !	YES
ActionAid International	Food security at 1.5° or 2° or beyond? Linking Adaptation, Finance and Loss & Damage	YES
Adaptation Fund Board (AFB)	Adaptation Fund: Direct Access Experiences	YES
African Centre of Meteorological Application for Development (ACMAD)	ClimateChange: An opportunity to accelerate integration and development for Africa	NO
African Development Bank Group (AfDB)	Getting Africa ready for the 2015 Agreement: Role of regional and international organizations	YES
African Union Commission (AUC)	Africa Day	NO
Agronomes et vétérinaires sans frontières (AVSF)	Agroecology: the pathway for climate change mitigation and agriculture adaptation	YES
All India Women's Conference (AIWC)	Women's Initiatives in Climate Change Mitigation	YES
Alliance to Save Energy (ASE)	Energy Productivity: Powering global economic growth through efficiency	YES
Amazon Environmental Research Institute (IPAM)	Reaching Zero Deforestation in the Brazilian Amazon: the role of sectors of society in this task	YES
Amazon Institute of People and the Environment (Imazon)	Transitioning to a low carbon economy in the Brazilian Amazon: subnational level experiences	YES
Amazon Watch	Indigenous Solutions to Climate Change - Living Forests of the Amazon	YES
Arab Network for Environment and Development (RAED)	Arab Communities Adapting to CC – A comprehensive approach of DRR & Acceleration of using RE	NO
Asia Pacific Forum on Women, Law and Development (APWLD)	Women at the front line of climate change take action for system change	YES
Asian Development Bank (ADB)	Practical Stories on Transfer and Deployment of Climate Technologies	YES
Asociación Civil Oikos (OIKOS)	Mountains Biodiversity as strategy to Climate Change	NO
Asociación Coordinadora Latinoamericana y del Caribe de Pequeños Productores de Comercio Justo (CLAC)	Farmers Day: Partnerships to improve agricultural resilience and productivity in a changing climate	NO
Asociación de Comunidades Forestales de Petén (ACOFOP)	Rights and community-based forest management: an answer to adapt and mitigate climate change	YES
Asociación Interamericana para la Defensa del Ambiente (AIDA)	Enhancing enabling environments for climate finance in Latin America	YES
Asociación Interétnica de Desarrollo de la Selva Peruana (AIDSESP)	The GDM-Peru and the access direct of Indigenous Peoples to the Green Climate Fund	NO
Asociación Proteger (PAC)	Applying vernacular building techniques and natural materials in rural and vulnerable communities	YES
Asociación Regional de Pueblos Indígenas de la Selva Central (ARPI-SC)	ADP Protocol, indigenous and human rights and safeguards in the Amazon	NO
Assembly of First Nations (AFN)	First Nations Food, Nutrition and Environment Study(FNFNES): Climate Change and Food Security	NO
Association Actions Vitales Pour Le Developpement Durable (AVD)	Strengthening Global Partnership and Citizens' Participation in Climate Change	YES
Association Climate-KIC	Open Innovation to address climate change: effective and scalable cross-sector collaboration	YES
Association for Development and Research of Sustainable Habitats (ADaRSH)	Delhi to Paris: Corporate Vision on Climate Change	YES
Association Française Pour les Nations Unies - Aix-en-Provence (AFNU-Aix)	REDD+ at the interface of biodiversity, climate change and human rights	YES
Association négaWatt	Can energy savings and renewables do the job alone? Lessons from innovative energy scenarios	YES
Association of Southeast Asian Nations (ASEAN)	Towards Low Carbon and Climate Resilient ASEAN Community Post-2015	YES
Ateneo de Manila University (ADMU)	Climate Law and Governance: Future Practices and Prospects	YES
Australia	Land-sector Measurement, Reporting and Verification (MRV)Readiness	YES
Bangladesh	Sharing National Action Plan of Bangladesh on SLCPs	YES
Basque Centre for Climate Change (BC3)	The role of sub national governments in CC: The need for a new governance in climate policy.	YES
Belgium	Triggering the debate on the transition towards a low carbon society	YES
Both ENDS Foundation (Both ENDS)	Good grief! Why the CDM and the GCF need a redress mechanism	YES
Brahma Kumaris World Spiritual University (BKWSU)	The role of ethics and human awareness in climate change solutions	YES
Brazil	The Brazilian post-2020 Climate Change Policy: challenges and opportunities.	NO
Brighter Green	Food, Climate Change & REDD Drivers; Post-Paris Possibilities	YES
Brookings Institution	Growth, the Driver of Climate Change Action	NO
Buddhist Tzu Chi Foundation	Rebuilding after climate change related disasters: how FBOs & CBOs are creating a sustainable future	NO
Business Council for Sustainable Energy (BCSE)	A Key to Energizing Efficient, Productive & Smart Cities and Grids	YES
Business for Social Responsibility (BSR)	How the Paris Agreement will drive the low-carbon economy through private sector action.	YES
C40 Cities Climate Leadership Group (C40)	Cities and Climate Change: Energising Climate Action through Commitments and City Climate Finance	YES
Ca' Foscari University, Venice (UNIVE)	Fiscal instruments and regulatory policy to implement INDCs at national and urban level	YES
Cambodia	What countries can do to scale up adaptation finance: using all possible avenues	NO
Cameroon	The Application of Remote Sensing for REDD+ MRV in African Humid and Dry Forest Countries	YES
Carbon Capture and Storage Association (CCSA)	Carbon Capture and Storage: Recent Developments and Next Steps	YES
CARE International (CI)	Food security at 1.5° or beyond: Paris action for rights-based adaptation finance and L&D	YES

Party/Organization	Title	Upload (Yes/No)
Caritas Internationalis (CI)	Climate policies implications on food security and human rights: lessons learnt and ways forward.	YES
CDP Worldwide (CDP)	Catalysing commitments into action: innovation and scalable solutions in cross-sector collaboration	YES
Center for Biological Diversity (CBD)	Keeping Fossil Fuels in the Ground: the International Movement to Ban Fracking	YES
Center for Clean Air Policy (CCAP)	Transformation in the energy sector and achieving INDCs	NO
Center for Climate and Energy Solutions (C2ES)	Charting a Low-Carbon Course for the U.S. Power Sector	YES
Center for International Climate and Environmental Research (CICERO)	Trends in emissions of carbon dioxide and analysis of Intended Nationally Determined Contributions	YES
Center for International Environmental Law (CIEL)	Climate Change: Greatest human rights challenge of our time	NO
Center for International Forestry Research (CIFOR)	Forests, landscapes, climate & sustainable development - The evidence we need for the future we want	YES
Center of Life Institute (ICV)	Transitioning to low carbon rural economy in the Brazilian Amazon: subnational efforts & results	YES
Centre de coopération internationale en recherche agronomique pour le développement (CIRAD)	Acting on agricultural soil carbon for food security, adaptation and mitigation	YES
Centre for Built Environment (CBE)	Climate Resilient City: Challenges and Possibilities For Vulnerable Urban Communities	NO
Centre for European Policy Studies (CEPS)	Provisions for market mechanisms in the 2015 agreement	YES
Centre for International Governance Innovation (CIGI)	Linking Knowledge, Practice & Policy to Promote Climate Governance Equality, Prosperity & Unity	NO
Centre for International Sustainable Development Law (CISDL)	Climate Law and Governance: Future Practices and Prospects	YES
Centre for Policy Research (CPR)	How will INDCs shape development? Views from Chile, China, Colombia, India, Peru & South Africa	NO
Centres d'Actions et de Réalisations Internationales (CARI)	Agroecology serving both sustainable land management and the livelihoods while limiting warming ?	YES
Centro Alexander von Humboldt	Shaping equitable adaptation policies: Lessons learned from using Joint Principles for Adaptation	YES
Centro de Estudios Uruguayos de Tecnología Apropriada (CEUTA)	Civil Society and Government dialogues to Establish National Climate Agendas in Latin America.	YES
Centro de Transporte Sustentable de México Asociación Civil (CTS Embarq México)	Pathways to sustainable mobility through local, national and global action	NO
Centro Internacional de Agricultura Tropical (CIAT)	Colombia's Climate Strategies: mitigation, adaptation, Amazon Vision and linkages with agriculture.	NO
Chad	Le Lac Tchad : 100 000 000 de Vies Humaines menacées	NO
Chamber of Commerce of the United States of America	Business Perspectives on INDCs	NO
Chatham House	Public understanding and policy options for addressing GHG emissions from the livestock sector	YES
Chile	Oceans: their role in the post-2020 climate agreement: Lessons and experiences from Easter Island	YES
China Association for Science and Technology (CAST)	Climate Change and Resilience: Co-design for Urbanization in China	YES
China Green Carbon Foundation (CGCF)	China's Forestry Actions & Creative Risk Management Methods for Climate Change	YES
CHIRAPAQ - Centro de Culturas Indígenas del Perú (CHIRAPAQ)	Strengthening indigenous peoples' adaptation strategies and food security thru direct access to GCF	YES
Christian Aid (CA)	Equity Review of INDCs – Results and Lessons Learned For Closing the Ambition Gaps after Paris	YES
Clean Air Initiative for Asian Cities Center, Inc. (CAI - Asia Center)	Boosting sustainable mobility in Europe, Asia and Latin America with city-to-city cooperation	NO
Climate Action Network - Europe (CAN - Europe)	The Phase Out of Fossil Fuel Subsidies and the Paris Climate Deal	YES
Climate Action Network Canada (CAN-Rac)	Equity Review of INDCs – Results and Lessons Learned For Closing the Ambition Gaps after Paris	YES
Climate Action Network International (CAN International)	The Paris Agreement: A Springboard for transformative change	NO
Climate Action Reserve	Subnational Cooperation on Clean, Resilient Transportation through Zero Emission Vehicles and more	YES
Climate Alliance (Klima-Bündnis)	Global Covenant of Mayors: Towards carbon neutral and inclusive cities	YES
Climate Alliance Austria (CAA)	Global Covenant of Mayors	YES
Climate Analytics GmbH	Data & Values, Science, Politics and Mechanisms: Ambition and impact of INDCs and the Global Deal	YES
Climate and Health Limited	Emergency Policies to Protect Public Health: The 2015 Lancet Commission on Health and Climate Change	NO
Climate Change Center	Preparing for the Action Plans on Post-2020 Climate Change Regime in Asia	NO
Climate Change Coordination Centre (C4)	Future Energy Pathway of the Caspian Region in View of the New Climate Regime	NO
Climate Institute (CI)	Sustainable Energy for Island Economies - A High Impact Opportunity Area of the UN SE4ALL Initiative	NO
Climate Justice Program (ACJP)	Loss and damage - who should pay?	YES
Climate Parliament	A Green Grid Alliance: towards the global energy 'internet'	NO
Climate Policy Center (CPC)	Risks of Irreversible Climate Impacts from Cryosphere: Permanent Changes to the Earth System	YES
Climate Policy Initiative, Inc (CPI)	Growth, the Driver of Climate Change Action in Infrastructure and Land Use	NO
Climate Strategies	Climate clubs as implementation tool of the Paris agreement	YES
ClimateNet	Succeeding INDCs implementation in the Maghreb region – identifying opportunities and challenges	NO
ClimateWorks Foundation	The Carbon Transparency Initiative – Tracking Decarbonization Progress	YES
CO2GeoNet - The European Network of Excellence on Geological Storage of CO2 (CO2GeoNet)	The science demonstrating the validity of CO2 geological storage for climate change mitigation	YES
Coastal Association for Social Transformation Trust (COAST Trust)	Climate Induced Migrants : Quesion on Rights and Responsibilities	YES
Coastal Development Partnership (CDPBD)	Risk Atlas of Bangladesh; Way forwrd towards prioritizing climate action	YES

Party/Organization	Title	Upload (Yes/No)
COBASE, Cooperativa Tecnico Cientifica di Base (ECOSOC)	Electrical cities, Common Goods (energy, water, sanitation), Agroecological Parks against CC	YES
Colegio de Abogados Especialistas en Derecho Ambiental de Colombia (CAEDAC)	Reducing methane emissions from oil & gas operations	YES
Colombia	Colombia tackles climate change: Forests, agriculture and land use in a national green growth vision	NO
Colorado State University	Mountains, Women and Water: at the nexus of three Sustainable Development Goals	NO
Columbia University	South-south learning in the NAP Global Network: Focus on using climate information for NAP processes	YES
Comisión Centroamericana de Ambiente y Desarrollo (CCAD)	Central American Integration System (SICA): Investing for Our People	NO
Comité 21 / Club France Développement Durable	Adaptation: how can we scale successful solutions worldwide?	YES
Comité permanent inter-états de lutte contre la sécheresse au Sahel (CILSS)	contributions of west african institutions (CILSS, ECOWAS, UEMOA, BOAD) to address climate change	NO
Compassion in World Farming (CIWF)	Addressing sustainability with policies that reverse the livestock sector's impact on climate change	YES
Confederation of Indian Industry (CII)	Initiatives to address climate change : The India story	YES
Conservation International (CI)	Nature and Engineering Working Together: Innovations for Climate Adaptation on Vulnerable Islands	YES
Cooperation internationale pour le développement et la solidarité (CIDSE)	Deal with it! People, Rights, Justice	YES
Coordinadora de Desarrollo y Defensa de los Pueblos Indígenas de la Región San Martín (CODEPISAM)	The indigenous territories restrains the global climate crisis	NO
Coordinating Body of Indigenous Organizations of the Amazon Basin (COICA)	Impacts and Indigenous Adaptation Strategies from the Amazon and Canada	NO
Corporación Andina de Fomento (CAF)	Mainstreaming climate change within financial institutions	YES
Corporación Centro de Estudios de Derecho, Justicia y Sociedad (DEJUSTICIA)	Digging Deeper: Tracking Coal and its Human Rights Impacts from North to South	YES
Côte d'Ivoire	Addressing Near-term Climate Change with Multiple Benefits	YES
Danish Society of Engineers	Future Climate - Engineering Solutions (FC-ES) showing low carbon energy scenarios	YES
Demand Response and Smart Grid Coalition (DRSG)	Using Demand Response, Smart Meters, Microgrids & Smart Grid Tech to Address Mitigation & Adaptation	YES
Denmark	Decoupling international shipping emissions from economic growth	YES
Deutsche Gesellschaft fuer Internationale Zusammenarbeit (GIZ)	Shaping effective climate risk management: The role of NAP, climate risk insurance & private finance	YES
Development Alternatives (DA)	Adaptation in South Asian Region: Sub-National Experiences	NO
Dharma Drum Mountain Buddhist Association (DDMBA)	Reclaiming the Sacred – Women Mobilize Faith Communities to Address Climate Change	YES
Dominican Republic	Linking Low Emission Development with National Climate Goals	NO
Duke University	New ways to link mitigation action in multiple jurisdictions, lessons from the US Clean Power Plan	YES
Earth Innovation Institute	Fostering Bottom-Up, Jurisdictional Low-Emission Development in Tropical States and Provinces	YES
Earth Island Institute, Inc. (EII)	Equity Review of INDCs – Results and Lessons Learned For Closing the Ambition Gaps after Paris	YES
Earth Savers Movement (ESM)	DEFYING DISASTERS: A TRI-CONTINENTAL SOUTH-SOUTH DIALOGUE FOR CLIMATE CHANGE SOLUTIONS	NO
Earthjustice	Climate change : the challenge for human rights - From Paris 1948 to Paris 2015.	NO
East African Community (EAC)	Africa Day Side Event	NO
Ecological Youth of Angola (JEA)	Civil Society input in sustainable development and raising awareness	YES
Ecology Center	NAMAs in the waste sector: Challenges and Opportunities for climate mitigation.	NO
Economic Community of West African States (ECOWAS)	Actions of West African Institutions (ECOWAS, WAEMU, CILSS, BOAD) to address climate change	NO
Edison Electric Institute (EEI)	Transforming The Power Sector	YES
Egypt	Accelerating solar power plants in MENA: countries roadmaps, success stories and future projects	NO
Eikosphere Foundation	Assessing readiness for private sector engagement	YES
Ejecutor de Contrato de Administración de la Reserva Comunal Amarakaeri (ECA - RCA)	Progress in Amazonian Indigenous REDD+ in 5'194, 500 hectares	NO
El Salvador	Regionally addressing Loss and damage	NO
Electric Power Research Institute (EPRI)	Market Mechanisms in a Post-Paris INDC World – Opportunities and Challenges	YES
Electriciens sans frontières	Low-carbon electricity: energy for life, energy for the earth	YES
Energy Research Centre of the Netherlands (ECN)	Regional Climate Mitigation Implementation: from scenario modeling to policy design	YES
Environmental Defense Fund (EDF)	Leadership on low-carbon Amazon rural development: governments, civil society and supply chains	YES
Environmental Investigation Agency (EIA)	Technological innovations in the RAC sector – new cost effective and energy efficient solutions	YES
Environmental Management for Livelihood Improvement Bwaise Facility (EMLI Bwaise Facility)	Addressing climate change: A reflection of policy actions in Africa	NO
Environmental Monitoring Group Trust (EMG)	Celebrating the contribution of the International Year of Soil to a sustainable climate	YES
ETC Foundation (ETC)	National Approaches to Mitigating Climate Change and Advancing Gender Equality	NO
Ethiopia	Low Carbon Ethiopia: The vision and Action	NO
EURELECTRIC	Low-carbon electricity: energy for life, energy for the earth	YES
Euro-Mediterranean Center on Climate Change (CMCC)	Regions and Climate Change: a major challenge for local communities	YES

Party/Organization	Title	Upload (Yes/No)
EURONATURA - Centre for Environmental Law and Sustainable Development	Bioenergy in Small Island Developing States – S. Tomé e Príncipe and Portugal Technology Cooperation	YES
European Bank for Reconstruction and Development (EBRD)	Future Energy Pathway of the Caspian Region in View of the New Climate Regime.	NO
European Business Council for Sustainable Energy (e5)	Climate actions of subnational actors and business: Setting the agenda beyond 2015	YES
European Climate Foundation (ECF)	Path for low carbon shipping	YES
European Environmental Bureau (EEB)	Circular Economy and Zero Waste: Key Strategies for Climate Change Mitigation	NO
European Federation for Transport and Environment (T&E)	Aviation: measures and targets for the climate target?	YES
European Investment Bank (EIB)	MDB's and Climate Change	YES
European Space Agency (ESA)	Supporting National Forest Monitoring with Earth Observation	YES
Ev-K2-CNR Committee (Ev-K2-CNR)	Addressing climate change impacts in mountains regions	YES
Fairtrade Labelling Organizations International e.V. (FLO e.V.)	Presentation of the Fairtrade Climate Standard: towards a more holistic and fairer carbon approach	YES
Fauna & Flora International (FFI)	Making national REDD+ more effective – lessons from pilot implementation and forest certification.	YES
Feasta Ltd (Feasta)	Launching CapGlobalCarbon a citizen-led project to control global carbon and return funds to people	YES
Federación de Pueblos Indígenas Kechwas de la Región de San Martín (FEPIKRESAM)	Amazon in destruction, Adaptation, Indigenous Women and Gender Equality	NO
Federación Nativa del Río Madre de Dios y Afluentes (FENAMAD)	MRV-Indigenous (Monitoring, Reporting and Verification) and Fullness of life plans	NO
Federación Regional Indígena Shawi de San Martín (FERISHAM)	Palm Oil, Mega-Drivers and post extractivism transition	NO
Federation of Indian Chambers of Commerce and Industry (FICCI)	Climate Ambition in Industry: Towards Collective Action and Transformative Solutions	NO
Fia Foundation for the Automobile and Society (Fia Foundation)	Action on Fuel Economy – GFEI's 100 countries supporting CO2 reduction from cars	NO
Finland	Fossil Fuel Subsidies and Climate Change: national action and international phase out	YES
Fondation Deserts du Monde (FDM)	Les Deserts du Monde face au Climat	YES
Fondation pour les etudes et recherches sur le developpement international (Ferdin)	Can national policies and INDCs alone lead to a workable and effective climate regime?	YES
Fondazione Centro Studi Enel	Key Elements of the Paris Agreement and Consequences for Market Mechanisms	YES
Fondazione Eni Enrico Mattei (FEEM)	Multi-Level Climate Governance: An integrated analysis of National, Regional and Local Policies	YES
Fonds E7 pour le développement énergétique durable (E7 Fund)	Accelerating solar power plants in MENA: countries roadmaps, success stories and future projects	NO
Food, Agriculture and Natural Resources Policy Analysis Network (FANRPAN)	Partnering to Scale-Up Climate-Smart Agriculture in Africa: From Policy to Tangible Impact	YES
Forest Stewardship Council (FSC)	REDD+ Safeguards, Non-carbon benefits and FSC Certification	YES
Forum for Agricultural Research in Africa (FARA)	Partnering to Scale-Up Climate-Smart Agriculture in Africa: From Policy to Tangible Impact	YES
Forum for Reforms and Entrepreneurship (FORES)	Non state actors in Paris Agreement - now what?	YES
Foundation for the Rights of Future Generations (FRFG)	Justice and Future Generations: Achieving Intergenerational Equity in Paris and Beyond	NO
Franciscans International (FI)	Keeping Fossil Fuels in the Ground: the international Movement to Ban Fracking	YES
Frankfurt School of Finance and Management GmbH	Private Adaptation Finance: towards a project perspective	YES
Free University Amsterdam, Institute for Environmental Studies (IVM-VU)	Promises and perils of non-state actor climate action beyond Paris	YES
Freie Universität Berlin (FUB)	Climate Action in Europe and South East Asia: opportunities for co-benefits	NO
Fridtjof Nansen Institute (FNI)	Prepare and Adapt: Climate Change and Human Mobility in Paris and Beyond	NO
Friedrich Schiller University Jena (FSU Jena)	2020 perspectives on the role of forests in land-based mitigation	YES
Friedrich-Ebert-Stiftung e.V. (FES)	Civil society perspectives on sustainable low carbon development	NO
Friends of the Earth International (FOEI)	The People's Test on Climate	YES
Fundación Ambiente y Recursos Naturales (FARN)	Civil Society and Government dialogues to Establish National Climate Agendas in Latin America	YES
Fundación Defensores de la Naturaleza (FDN)	Guatemala's Climate Change Agenda and experiences on REDD+: people and biodiversity conservation	NO
Fundación Desarrollo Sustentable, A.C. (FDS)	Transferencia de tecnología para la adaptación y la mitigación al cambio climático	NO
Fundación Futuro Latinoamericano (FFLA)	Civil Society and Government dialogues to Establish National Climate Agendas in Latin America	YES
Fundación Natura Bolivia (FUNABO)	Civil Society and Government dialogues to Establish National Climate Agendas in Latin America	YES
Gambia	Investing in comprehensive risk management: Integrating Disaster Risk Reduction and NAPs	NO
genderCC - women for climate justice e.V. (GenderCC)	Implementing gender-responsive climate policy in local and national contexts	YES
Georgetown University	Subnational Cooperation on Clean, Resilient Transportation through Zero Emission Vehicles and more	YES
German Advisory Council on Global Change (WBGU)	Accelerating the Great Transformation: the Post-Paris Script	YES
German Development Institute (DIE - Bonn)	Transformative Climate Actions: Cities as Drivers of Low-Carbon and Resilient Development	YES
German Emissions Trading Association (BVEK)	Results-based climate finance: National policies and carbon market mechanisms	YES
GERMANWATCH	Achieving a paradigm shift with the Green Climate Fund: The critical role of civil society	YES
Germany	Translating ambition into action: Developing the German Climate Action Plan 2050	YES

Party/Organization	Title	Upload (Yes/No)
Ghana	Ghana Day Out	YES
Gherush92 Committee for Human Rights (Gherush92)	Eco-productive and Agro-ecological Parks against Climate Changes. Rules and project elements	YES
Global Alliance for Incinerator Alternatives Philippines, Inc. (GAIA)	Waste Sector Strategies for a Low Carbon Economy: Innovative Experiences in the Global South	NO
Global Canopy Programme (GCP)	Safeguarding REDD+ and related land use through effective participation and community monitoring	YES
Global Carbon Capture and Storage Institute Ltd	FINANCING CARBON CAPTURE AND STORAGE (CCS/CCUS) IN DEVELOPING COUNTRIES: DEMONSTRATION & DEPLOYMENT	YES
Global Ecovillage Network (GEN)	Ecovillages: 1001 Ways to Cool the Planet	YES
Global Environment Centre (GEC)	Peatland and climate change in Southeast Asia	YES
Global Environment Centre Foundation (GEC)	The Joint Crediting Mechanism (JCM): Achievements and recent progress of project implementations	YES
Global Environment Facility (GEF)	Beyond Grants: Innovative Blended Finance	NO
Global Environment Facility (GEF)	Investing in Resilience - Responding to the Adaptation Needs of the Most Vulnerable	NO
Global Environmental Institute (GEI)	Evaluation and Comparison of Climate Actions and Policies in China, India and the United States	YES
Global Green Growth Institute (GGGI)	Driving Finance for Green Innovation	YES
Global Industrial and Social Progress Research Institute (GISPRI)	Harmonization between environment and economic growth: Building a new global framework	NO
Global Peace Initiative of Women (GPIW)	Reclaiming the Sacred –Mobilizing Faith Communities to Address Climate Change	YES
Global Water Partnership Organisation (GWPO)	Country support for finance readiness, investment planning and NAPs	NO
Gorakhpur Environmental Action Group (GEAG)	'Farmers First' in Building Agricultural Resilience	YES
Green Asia Network (GAN)	Faith-Based Organizations' Climate Initiatives	YES
Green Climate Fund (GCF)	Deploying Resources of the Green Climate Fund: "What makes a good Project"	NO
Green Climate Fund (GCF)	Mobilising Resources at Scale for the Green Climate Fund: "Looking Beyond Paris"	NO
Green Economics Institute (GEI)	2TonnesCarbonHow would a 2 tonnes of carbon life style look? What changes would need to be made?	YES
Green Korea United	Presentation of Switch town case studies and networking	YES
Greenhouse Gas Management Institute (GHGMI)	It's Time for Next Generation Standards Collaboration for Climate Neutrality and Resilience	YES
Greenpeace International (GREENPEACE)	100%RE - Energy Solutions for our Planet	YES
Groupe de recherche et d'échanges technologiques (GRET)	Agroecology : the pathway for climate change mitigation and agriculture adaptation	YES
Groupe Energies Renouvelables, Environnement et Solidarités (GERES)	Carbon finance and clean cooking: towards a more context-oriented approach	YES
Grupo de Trabajo Amazonico (GTA)	Addressing the drivers of deforestation through community protocols and PIC	YES
Guatemala	Guatemala Positioning at the international community present advances on its Climate Change Agenda.	NO
Harvard University	Key Elements of the Paris Agreement and Implications for Business	YES
HATOF Foundation	Domestic finance and climate learning key to Ghana's INDC	YES
Health and Environment Alliance (HEAL)	Health and Climate Change in Europe and central Asia - Lessons learnt on the 5 thematic sections	YES
Heinrich Böll Foundation (HBF)	Should compensation be paid for climate loss and damage?	YES
HELIO International (HELIO)	Smart Energy Path: learning from Africa	NO
Helvetas Swiss Intercooperation	Ensuring food security in a changing climate through sustainable agriculture production	YES
Honduras	Addressing Climate Change for a Better Life	NO
Humane Society International (HSI)	Meat: the big omission from the talks on emissions. Public understanding and policy options	YES
Ibon Foundation Inc. (IBON)	Women and communities at the front line of climate change demand system change	YES
ICLEI-Local Governments for Sustainability (ICLEI)	Compact of Mayors: the world's largest coalition on local climate action and towards SDGs/HABITAT3	YES
Imperial College London	Technology solutions for a 2°C world: investing in renewables, storage, energy efficiency and CCS	YES
Indian Youth Climate Network (IYCN)	Approaches Towards Including Youth in Resilience Building	NO
Indigo Development and Change	Civil Society engagement for ensuring adaptation finance for most vulnerable groups	YES
IndyACT-The League of Independent Activists (IndyACT)	RENEW MENA: Civil society perspectives on low-carbon development in the MENA region	NO
Institut national de la recherche agronomique (INRA)	Biological Soil Carbon Sequestration and Food Security: the 4 per mil target	YES
Institut Veolia	Mitigating methane emissions: from science to innovative solutions	NO
Institute de recherche pour le développement (IRD)	Carbon sequestration and Agriculture	YES
Institute for Advanced Sustainability Studies (IASS)	Addressing Near-term Climate Change with Multiple Benefits	YES
Institute for Conservation and Sustainable Development of Amazonas (IDESAM)	Lessons learned and advances on the implementation of subnational REDD+ programs in Brazilian Amazon	YES
Institute for Global Environmental Strategies (IGES)	Enhancing Ambition for Intended Nationally Determined Contribution (INDCs)	YES
Institute for Governance and Sustainable Development (IGSD)	Addressing Near-term Climate Change with Multiple Benefits	YES
Institute for Policy Studies (IPS)	How can the Green Climate Fund enhance renewable energy access?	YES

Party/Organization	Title	Upload (Yes/No)
Institute for Transportation and Development Policy (ITDP)	Transport Targets and Strategies in INDCs: Maximizing Contributions from Transport to Raise Ambition	YES
Institute of Development Studies (IDS)	Scaling-up investment in renewable energy in developing countries	NO
Institute of Energy Economics, Japan (IEEJ)	Pragmatic approaches to a future climate regime	NO
Instituto de Ecología y Antropología de Acción (INFOE)	Climate Change Impacts on Indigenous Peoples in the Amazon and Adaptation Strategies	NO
Instituto Ethos de Empresas e Responsabilidade Social (Ethos)	Corporate leadership for a low carbon economy: Best practices in Brazil	NO
Inter-American Development Bank (IDB)	The new role of climate finance, policy & law	NO
Interchurch Organization for Development Cooperation (ICCO)	Presentation of the Fairtrade Climate Standard as an add-on to Gold Standard carbon projects	YES
International Association for the Advancement of Innovative Approaches to Global Challenges (IAAI)	Youth Empowerment for Climate Action - The Global Challenges (GloCha) Action Network and partners	YES
International Center for Environmental Technology Transfer (ICETT)	Scaling-up private sector financing for adaptation-related projects	YES
International Centre for Research in Agroforestry (ICRAF)	Farmers Day: Agroecology as a viable solution for climate resilience and a sustainable food system	YES
International Chamber of Commerce (ICC)	Leadership on climate change adaptation: Innovative solutions for stronger resilience	YES
International Coastal and Ocean Organization (ICO)	The Importance of Addressing Oceans and Coasts in an Ambitious Agreement at the UNFCCC COP 21	YES
International Council for Sustainable Energy (ICSE)	The Global Clean Energy Market Transformation	NO
International Cryosphere Climate Initiative (ICCI)	Risks of Irreversible Climate Impacts from Cryosphere: Permanent Changes to the Earth System	YES
International Development Research Centre (IDRC)	The Private Finance Gap: challenges and opportunities in funding adaptation	YES
International Emissions Trading Association (IETA)	Market Mechanisms with "Bottom up" Climate Agreements – Opportunities for Linking Jurisdictions	YES
International Energy Agency (IEA)	How Can the 2015 Agreement Drive Energy Sector Transformation and Climate Tech Transfer/Development?	YES
International Federation of Organic Agriculture Movements (IFOAM)	Sustainable Food Systems: a link between the Paris agreement and the SDGs	YES
International Hydropower Association (IHA)	Integrated technologies towards 100% renewables: Case studies at local, country and regional levels	YES
International Institute for Environment and Development (IIED)	Supporting poor, vulnerable and indigenous communities	YES
International Institute for Sustainable Development (IISD)	Fossil Fuel Subsidies and Climate Change: national action and international phase out	YES
International Livestock Research Institute (ILRI)	Farmers Day: Partnering to Scale-Up Climate-Smart Agriculture in Africa	YES
International Network for Bamboo and Rattan (INBAR)	The Global Assessment of Bamboo and Rattan (GABAR) Programme: A new green growth initiative	YES
International Network for Sustainable Energy (INFORSE)	Fair Low/Zero Carbon & 100% RE Strategies, South & North Countries, Villages, incl Women Initiatives	YES
International Organization for Standardization (ISO)	Climate Neutrality & Resilience Learning from past standards setting activities for future action	YES
International Petroleum Industry Environmental Conservation Association (IPIECA)	The Paris Puzzle: The pathway to a low-emissions future	NO
International Solar Energy Society (ISES)	Integrated technologies towards 100% renewables: Case studies at local, country and regional levels	YES
International Solid Waste Association (ISWA)	Managing methane emissions from municipal solid waste (MSW)	NO
International Tropical Timber Organization (ITTO)	REDD+ within INDCs: Governance lessons learnt from community forest management in the tropics	YES
International Youth and Student Movement for the United Nations (ISMUN)	Approaches to Ensuring the Integrity of the UNFCCC	YES
Inter-Parliamentary Union (IPU)	Credibility of national actions and INDCs: worldwide legislative and policy developments	YES
Islands First, Inc.	Ocean Acidification and Small Islands	NO
Israel	Technological break-through in the RAC sector-new cost effective and energy efficient solutions	YES
Italian Climate Network (ICN)	Voluntary carbon offsets and their environmental and social benefits: the FairCarbon proposal	YES
Ithaca College	Women Leading Solutions on the Frontlines of Climate Change: Forests and Renewable Energy	YES
IUCN - International Union for Conservation of Nature	Planet at the Crossroads: Advancing Nature Based Solutions to Climate Change after Paris	YES
IVL Swedish Environmental Research Institute Ltd.	How may carbon markets develop after Paris?	YES
Jamaica	Using Climate Information in the NAP Process	YES
Japan	Forth East Asia Low Carbon Growth Partnership Dialogue	YES
Jubilee South Asia Pacific Movement, Inc. (APMDD-JS)	Making Below 2 Degrees a Reality: Climate Smart Development in a Vulnerable and Emerging Economy	YES
Kazakhstan	Future Energy Pathway of the Caspian Region in View of the New Climate Regime	NO
Keidanren	Low carbon/emission development and growth: Towards New Regime from Paris	NO
Kenya	Strategic Climate Change Partnerships: Opportunities and actions in Developing Countries	NO
Keren Kayemet LeIsrael/The Jewish National Fund (KKL-JNF)	National and Regional Adaptation to Mediterranean Climate Change: Forests, Landscape and Beyond	NO
Korea Green Foundation (KGF)	The role of Asian civil society to prepare for the New Climate Regime	YES
Lancaster University	The importance of social science research for understanding climate change induced migration	YES
Leadership for Environment and Development International (LEAD International)	Strategic Climate Change Partnerships: Opportunities and actions in Developing Countries	NO
Lesotho	Adapting and building resilience to climate change in mountain communities	NO
Liberia	THE WAY FORWARD: A GENDER-RESPONSIVE OUTLOOK ON CLIMATE CHANGE	NO

Party/Organization	Title	Upload (Yes/No)
Liechtenstein	Ensuring food security in a changing climate through sustainable agriculture production	YES
LIFE e.V.	Implementing gender-responsive climate policy in local and national contexts	YES
London School of Economics and Political Science (LSE)	Credibility of national actions and INDCs: worldwide legislative and policy developments	YES
Lund University	The importance of social science research for understanding climate change induced migration	YES
Madagascar	Ecosystem-based adaptation practices and payment for ecosystem services in Madagascar	YES
Malawi	Integrating Disaster risk reduction in national adaptation planning	NO
Maldives	Climate Resilient Safer Island programme for SIDS	NO
McGill University	Tracking adaptation to climate change at the global scale	YES
Mercy International Association (MIA)	Keeping Fossil Fuels in the Ground: the International Movement to Ban Fracking	YES
Met Office Hadley Center	Climate science update: budgets, feedbacks and impacts informing strategies for greater resilience	YES
Mexico	Climate Change and Biodiversity for Sustainable Development	NO
Midwest Research Institute/National Renewable Energy Laboratory (MRI/NREL)	Linking Low Emission Development with National Climate Goals	NO
MISEREOR, German Catholic Bishops' Organisation for Development Cooperation (MISEREOR)	Climate Justice and Human Rights must frame Paris deal and climate actions	YES
Monaco	Health central to Climate Change action	YES
Montenegro	National and Regional Adaptation to Mediterranean Climate Change: Forests, Landscape and Beyond	NO
Mountain Institute, Inc. (TMI)	Empowering local solutions to build resilience in mountain regions vulnerable to climate change	NO
Mouvement des entreprises de France (MEDEF)	Business Perspectives on INDCs	NO
Munich Climate Insurance Initiative (MCII)	Shaping effective post2015 climate risk management: NAPs, climate risk insurance, adaptation finance	YES
Myanmar	REDD+ within INDCs: Some governance lessons learnt from community forest management in the tropics	YES
National Carbon Sequestration Foundation (NCSF)	Low-carbon development in Russia in the period until 2035	YES
National Council for Climate Change, Sustainable Development and Public Leadership (NCCSD)	Importance of Weather forecasting & use of ICT for Climate Smart Agriculture (CSA)	YES
National Institute for Environmental Studies (NIES)	East Asia Low Carbon Growth Dialogue	YES
National Institute of Public Health and the Environment (RIVM)	Assessment of the ambition and impact of INDCs	YES
National Spiritual Assembly of the Baha'is of the United States	Ethics and national decision-making	NO
National Wildlife Federation (NWF)	Are "zero-deforestation" commodity supply chains actually reducing emissions in the land-use sector?	YES
Natural Justice	The promotion and protection of indigenous knowledge in adaptation	YES
Natural Resources Defense Council (NRDC)	Global Climate Action: Perspectives on Major Energy Initiatives	YES
Nature and Biodiversity Conservation Union (NABU)	Shipping: measures and targets for the climate objective	YES
Nature Code - Centre of Development & Environment (NC)	Accountability of results based finance- build on the best and learn from the worst	YES
Netherlands	Addressing Near-term Climate Change with Multiple Benefits	YES
Network of Regional Governments for Sustainable Development (nrg4SD)	Beyond Paris - Inspiring Subnational Climate Action	NO
New Energy and Industrial Technology Development Organization (NEDO)	Challenge for low carbon/low emission development	NO
New Zealand	Fossil Fuel Subsidies and Climate Change: national action and international phase out	YES
Nordic Council of Ministers (NCM)	Sustainable transformation - Nordic experiences of NAMAs as building blocks for INDCs	YES
Nordic Development Fund * (NDF)	NAMA development for sustainable transformation – Nordic experiences of NAMA support	YES
Nordic Environment Finance Corporation (NEFCO)	NAMA development for sustainable transformation – Nordic experiences of NAMA support	YES
Nordic Folkcenter for Renewable Energy (NFVE)	Ready for Zero: Who's Working on Zero Carbon Modelling & ToolKits, How Support Transition to 100% RE	YES
Norway	Reducing methane emissions and ending routine gas flaring in oil & gas operations	YES
Norwegian Forum for Environment and Development (ForUM)	Adapting local agricultural practices to a changing climate: The perspective of a Kenyan farmer.	YES
Norwegian Refugee Council (NRC)	Climate Displacement: Voices from the Frontline	NO
Norwegian University of Science and Technology (NTNU)	The many forms of carbon pricing: from theory to practice	YES
Observatoire du Sahara et du Sahel (OSS)	Environmental monitoring and carbon accounting in the Sahara and Sahel region	YES
Oeko-Institut (Institute for Applied Ecology e.V.), Berlin	INDCs: missing elements for tracking progress with the agreement	YES
Oil Change International (OCI)	Phasing out fossil fuel subsidies and the Paris Climate deal	YES
Organisation for Economic Co-operation and Development (OECD)	Pathways to a low-carbon economy	YES
Organisation Internationale de la Francophonie (OIF/IFDD)	REDD+ à l'interface des changements climatiques, de la biodiversité et des droits de l'homme	YES
Organización Regional de la Asociación Inter-Etnica de Desarrollo de la Selva Peruana Ucayali (ORAU)	Indigenous Peoples, National Contribution (INDC) and "Zero Net deforestation in Peru"	NO
Organization of Arab Petroleum Exporting Countries (OAPEC)	Role of Oil & Gas Technology to address Climate Change Challenges	NO
Oro Verde - Tropical Forest Foundation (OroVerde)	REDD+ Implementation on the ground – What are the real opportunities and challenges?	YES

Party/Organization	Title	Upload (Yes/No)
Overseas Environmental Cooperation Center, Japan (OECC)	Japan's cooperation for mitigation actions in developing countries	YES
Pakistan	Climate Change Resilience	YES
Pan African Climate Justice Alliance (PACJA)	Financing Climate Change: The Rhetoric versus Realities	YES
Pembina Institute for Appropriate Development	Equity Review of INDCs – Results and Lessons Learned For Closing the Ambition Gaps after Paris	YES
Pennsylvania Environmental Resource Consortium (PERC)	Examination of how nations have and should consider equity and justice in setting INDCs.	NO
Peru	The Peruvian and Uruguayan Experience in the Black Carbon mitigations, using DPF in buses Euro 3.	YES
Philippines	Making Below 2 Degrees a Reality: Climate Smart Development in a Vulnerable and Emerging Economy	YES
Plan International (Plan)	Climate change and children's rights: Children as vulnerable group and agents of change	YES
Portugal	Bioenergy in Small Island Developing States – S. Tomé e Príncipe and Portugal Technology Cooperation	YES
Potsdam Institute for Climate Impact Research (PIK)	The IPCC at a Crossroads: Enhancing the Usefulness of IPCC to the UNFCCC Process	YES
Qatar	Role of Oil & Gas Technology to address Climate Change Challenges	NO
Rainforest Alliance (RA)	Transparency and Accountability: Converting Deforestation-Free Pledges into Action	YES
Rainforest Foundation Norway (RFN)	Sustainable land use: addressing competing needs for land while respecting rights	YES
Reforestamos Mexico (RM)	Climate Change and Biodiversity for Sustainable Development	NO
Regional Environmental Center for Central and Eastern Europe (REC)	Innovative decision making tools for low carbon development and climate resilience	YES
Regional Environmental Centre for Central Asia (CAREC)	Joint efforts of Central Asia towards low-carbon development and climate resilience	YES
Remote Sensing Technology Center of Japan (RESTEC)	Global forest change monitoring for REDD+	YES
Renewable Energy and Energy Efficiency Partnership (REEEP)	Scaling-up investment in clean energy in developing countries	NO
Renewable Energy Policy Network (REN21)	100% Renewable Energy (RE) for All: Solutions for Combating Climate Change	YES
Research Centre for Sustainable Development (RCSD)	Climate change as a catastrophic risk & a driver for innovation: The reports, tools and initiatives	YES
Russian Federation	Role of Russian forests in GHG absorption. Policy and measures.	YES
Samoa	Effective weather, climate and early warning systems help build resilient Pacific islands	YES
Saudi Arabia	Climate Change adaptation measures with co-mitigation benefits in the Red Sea & Gulf region	NO
Save the Children International	Climate change and children's rights: Children as vulnerable group and agents of change	YES
Secretariat of the Pacific Regional Environment Programme (SPREP)	Building a resilient Pacific through effective weather climate and early warning systems	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Education Day - UN Alliance side event on non-formal climate change education	NO
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Reality check: How UNFCCC tools, guidance, finance and cooperation support gender policy on the ground	NO
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Young and Future Generations Day - Intergenerational Inquiry & results of the Conference of Youth	NO
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Results of World Wide Views on Climate and Energy	NO
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	REDD+ web platform and the Lima Information Hub on REDD+ results-based payments	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Completion of the expert review process for the first commitment period under the Kyoto Protocol	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	The Adaptation Committee - Overview of the first three years of work	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Synthesis report on the aggregate effect of INDCs	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Making the best use of the NAMA Registry	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	The UNFCCC Technology Mechanism: enhancing climate technology action	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	JISC side event	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	CDM-EB side event	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Joint side-event of UNFCCC and UNEP: Presentation of UNEP 2015 Adaptation gap report	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Work of the LEG in supporting the LDCs on NAPs and NAPAs	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Update on the ICA process	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	Joint side-event of UNFCCC and UNEP: Presentation of UNEP 2015 Emissions gap report	YES
Secretariat of the United Nations Framework Convention on Climate Change (UNFCCC)	NAMA Fair	YES
Senegal	What countries can do to scale up adaptation finance: using all possible avenues	NO
Seoul International Law Academy (SILA)	Realizing Low Carbon Development Strategy in Asia and the Pacific	NO
Sequoia Foundation	Climate Justice: Coal and Human Rights in the South, Community Choice Energy, Global Carbon Pricing	YES
Shakti Sustainable Energy Foundation	India in Action: Progressing Key Climate Initiatives	YES
SNV Netherlands Development Organisation (SNV)	Deforestation-free Agriculture: Converting pledges into action	YES
Società Italiana per le Scienze del Clima (SISC)	Bridging adaptation strategies and policy making: the regionalization process	YES
Society of Catholic Medical Missionaries (SCMM)	Title: Keeping Fossil Fuels in the Ground: the International Movement to Ban Fracking	YES

Party/Organization	Title	Upload (Yes/No)
South Africa	The Importance of Addressing Oceans and Coasts in an Ambitious Agreement at the UNFCCC COP21	YES
South Asian Forum for Environment (SAFE)	Climate Adaptive Interventions on Energy Water and Sanitation for Urban Poor	YES
South Centre	The Paris Agreement: Addressing the key issues for the way forward beyond 2015	YES
Southern African Confederation of Agricultural Unions (SACAU)	Supporting farmer-focused investments in Climate Smart Agriculture	YES
SouthSouthNorth Projects Africa (SSN Africa)	Chile, China, Colombia, India, Peru & South Africa: How will INDCs shape development, in practice?	NO
Sri Lanka	National Adapt.Plan for SriLanka:Multi-stakeholder involvement-participatory& inclusive planning	YES
Stanford University	The IPCC at a Crossroads: Enhancing the Usefulness of IPCC to the UNFCCC Process	YES
State of Palestine	Climate Change Planning in Conflict SettingsCase of State of Palestine	YES
Stichting Climate Action Network South Asia (CANSA)	Climate Resilience Activities at Sub-national level in South Asian Countries	NO
Sudan	Africa and the 2015 Agreement: Priorities and development challenges	YES
Sustainable Development Policy Institute (SDPI)	Shaping equitable adaptation policies: Joint Adaptation Standards	YES
SustainUS	Justice and Future Generations: Achieving Intergenerational Equity in Paris and Beyond	NO
Sweden	More, Faster, Now! Closing the emissions gap – how to unlock mitigation potential on the ground.	YES
Swiss Association for Environmentally Conscious Management (ÖBU)	Climate change and the financial sector – from threat to opportunity	YES
Swiss Federal Institute of Technology (ETH Zurich)	Scaling-up private sector investment in low-carbon off-grid power	NO
Switzerland	Prepare and Adapt: Climate Change and Human Mobility in Paris and Beyond	NO
Tajikistan	Adapting to climate change - success stores and challenges from across mountain ranges	NO
Tebtebba Foundation	Strengthening indigenous peoples' adaptation strategies and food security thru direct access to GCF	YES
The Carbon Trust	How can the Green Climate Fund help unlock energy efficiency?	YES
The Climate Group (TCG)	Driving climate action through the Compact of States and Regions and the Under2MOU	NO
The Corner House	Leaving oil in the soil: here's how and where	YES
The Energy and Resources Institute (TERI)	INDCs, fair allocation of carbon budget and role of ETS and REDD Plus for increasing ambition	YES
The Fairtrade Foundation	Fairtrade producers discuss with experts challenges and opportunities to adapt to Climate Change	NO
The Nature Conservancy (TNC)	Capitalizing on Nature's Contribution to Mitigation and Adaptation: The View Beyond Paris	YES
The Regional Organization for the Conservation of the Environment of the Red Sea and Gulf of Aden (PERSGA)	Climate Change adaptation measures with co-mitigation benefits in the Red Sea & Arabian Gulf region	NO
The University of Manchester	Delivering on 2C: opportunities for radical emissions reductions	YES
The Woods Hole Research Center (WHRC)	Permafrost Thaw and Climate Change: WHRC, ICCI and Arctic 21	YES
TheCompensators	Electricity Grid Infrastructure: the enabler of the Energy Transition	NO
Third World Network (TWN)	COP 21: The Key Issues	YES
Togo	Using Climate Information in the NAP Process	YES
Transparency International (TI)	Accountability framework for climate goals in and beyond Paris.	YES
Transport Research Foundation (TRF)	Linking ambition to action- Success factors for low carbon development pathways in transport sectors	YES
Tropical Forest Group (TFG)	Next Generation Collaboration Standards 2.0 for Climate Neutrality, Resilience & Sustainability	YES
Tunisia	Succeeding INDCs implementation in the Maghreb region – identifying opportunities and challenges	NO
U.S. Climate Action Network (USCAN)	Paris Durability, US Accountability	NO
Uganda	Enhancing Climate Ambition : Experiences and Lessons from Uganda.	NO
UiT The Arctic University of Norway (UiT)	Arctic Lessons: The Arctic and Nordic Climate Science, Technology and Diplomacy in a Global Context	YES
Umea University	The Arctic and Nordic Climate Science, Technology and Diplomacy in a Global Context	YES
Union Française de l'Electricité (UFE)	Low-carbon electricity: energy for life, energy for the Earth	YES
Unitarian Universalist Association (UUA)	Interfaith, Climate Justice, Contrarian Obstruction, and a Reduced Carbon Future	NO
United Cities and Local Governments (UCLG)	Climate action and the Sustainable Development Goals- the role of local and subnational governments.	YES
United Nations (UN)	Climate Innovators: Empowering a Global Generation of Young People	NO
United Nations (UN)	Delivering the Sendai Framework for Disaster Risk Reduction: Resilience in Action	NO
United Nations (UN)	Exploring Co-benefits of Climate Finance for Development: Building on successes for post-2015 action	NO
United Nations (UN)	Food security under a changing climate	NO
United Nations (UN)	Looking Forward: REDD+ and the UN-REDD Programme post-2015	NO
United Nations (UN)	Pathways to Sustainable Energy for a Climate Friendly World	NO
United Nations (UN)	Technical Briefing on Carbon Pricing	NO
United Nations (UN)	Why the climate change agreement is critical to Public Health	NO

Party/Organization	Title	Upload (Yes/No)
United Nations (UN)	Learning to live with climate change - accelerating climate change education and awareness-raising	NO
United Nations (UN)	International Transport (marine and air)	YES
United Nations (UN)	Levering co-benefits: the role of markets and trade	YES
United Nations (UN)	Human Mobility and climate change	YES
United Nations (UN)	Science-based climate information- Building on evidence to implement policies	YES
United Nations (UN)	One UN solutions for Cities and Climate Change. The new climate agreement and the new urban agenda	YES
United Nations (UN)	One Ocean, One Climate, One UN: Working together for a healthy and resilient ocean	YES
United Nations (UN)	The pivotal role of water in climate change adaptation and mitigation	YES
United Nations Foundation (UNF)	Sustainable Energy for All: Marrying climate change, development imperatives	NO
United States Council for International Business (USCIB)	Business Perspectives on INDCs	NO
United States of America	Mitigating methane emissions: from science to innovative solutions	NO
University College London (UCL)	The Inclusion of Consumption based policies in the emissions trading scheme	YES
University Luigi Bocconi, Institute of Energy and Environment Economics and Policy (IEFE)	The role of sub-national authorities in tackling climate change: from planning to implementation	YES
University of Zurich (UZH)	Effective climate finance and carbon market solutions for INDC implementation	YES
University of California (UCRP)	The Role of the Oceans Beyond 2020: Implications for Adaptation	YES
University of Cambridge	Business Leadership for a Low Carbon Transformation	YES
University of Cape Town (UCT)	How will INDCs shape development? Views from Chile, China, Colombia, India, Peru & SA	NO
University of Copenhagen	Institutional and Policy entry points for scaling up climate-smart agriculture in Africa	YES
University of Delaware, Center for Energy and Environmental Policy (CEEP)	Advancing sub-national polycentric action through city networks: potential and strategic application	YES
University of East Anglia (UEA)	The Global Carbon Budget 2015 in context of a 2C pathway	YES
University of Edinburgh	Mitigation by AFOLU: identifying multiple benefits, perverse incentives and science/policy lags	YES
University of Hamburg (UHH)	The importance of social science research for understanding climate change induced migration	YES
University of Iceland	The Arctic and Nordic Climate Science, Technology and Diplomacy in a Global Context.	YES
University of Lapland	The Arctic and Nordic Climate Science, Technology and Diplomacy in a Global Context	YES
University of Maryland (UMCP)	Tracking adaptation progress and enabling readiness	YES
University of Nijmegen (RU)	Innovation capabilities and technology transfer	YES
University of Oxford, Environmental Change Institute (ECI)	Metrics of progress towards net zero and the two degree goal: science for a safe climate	YES
University of Reading	Climate resilience and early warning for sustainable development-food, livelihoods & infrastructure.	YES
University of Sussex - Sussex Energy Group (SEG)	Mitigation contributions from developing countries: innovation, technology and scenario analysis	YES
University of Technology Malaysia (UTM)	Low Carbon and Resilient cities : Bridging Science, Practice and Policy	YES
University of Texas at Austin	Carbon Capture and Storage (CCS): Achievements and Opportunities for Developing Country Involvement	YES
University of Twente (UT CSTM)	New methods for community carbon monitoring	YES
Vanuatu	Building a resilient Pacific through effective weather, climate and early warning systems	YES
Vasudha Foundation	Low Carbon Pathways for India- addressing development in a sustainable manner	YES
Victoria University Wellington (VUW)	Metrics of progress towards net zero and the two degree goal: science for a safe climate	YES
Viet Nam	Key INDCs of ASEAN countries and their contribution to the global effort to tackle climate change	YES
Viracao Educommunication	Voluntary Carbon offsets: social and environmental implications	YES
Welthungerhilfe	Impact of climate change on food and nutrition security in Kenya, Peru and Pakistan.	YES
Widener University	Evaluating How Nations Considered Equity in Setting INDCs	NO
Wildlife Conservation Society (WCS)	Safeguards and standards: delivering multiple benefits from REDD+ and other land use	YES
William J. Clinton Foundation	Strategic Climate Change Partnerships: Opportunities and actions in Developing Countries	NO
WMO/UNEP Intergovernmental Panel on Climate Change (IPCC)	Update on IPCC TFI Activities to Support UNFCCC Process	YES
WMO/UNEP Intergovernmental Panel on Climate Change (IPCC)	From science to solutions: uses and strategies of IPCC communications for a climate-changing world	YES
Women Environmental Programme (WEP)	Gender just climate solutions	YES
Women in Europe for a Common Future (WEFCF)	Gender just climate solutions	YES
Women Organizing for Change in Agriculture and Natural Resource Management (WOCAN)	Balancing Ambition with Capacities for Gender Results within Climate Financing Mechanisms	NO
Women's Earth and Climate Caucus (WECC)	Global Women & Indigenous Peoples on the Frontline of Climate Solutions: Forests & Renewable Energy	YES
Women's Environment and Development Organization (WEDO)	From Words to Action, Resilience and Equality: Implementing the Lima Work Programme on Gender	YES
World Bioenergy Association (WBA)	Integrated technologies towards 100% renewables: Case studies at local, country and regional levels	YES

Party/Organization	Title	Upload (Yes/No)
World Farmers' Organisation (WFO)	Productivity and resilience in agriculture: two sides of the same coin	NO
World Future Council (WFC)	Achieving the necessary transition to 100% Renewable Energy globally	YES
World Ocean Network (WON)	The Importance of Addressing Oceans and Coasts in an Ambitious Agreement at the UNFCCC COP 21	YES
World Resources Institute (WRI)	Tracking, Implementing, and Ramping up Climate Action post –Paris	YES
World Steel Association (Worldsteel)	Business Perspectives on INDCs	NO
World Vision International (WVI)	Partnering to Scale-Up Climate-Smart Agriculture in Africa: From Policy to Tangible Impact.	YES
World Wind Energy Association (WWEA)	Integrated technologies towards 100% renewables: Case studies at local, country and regional levels	YES
Wuppertal Institute for Climate, Environment and Energy	Mobilising Ambitious State and Non-State Climate Action in the Paris Agreement and Beyond	YES
WWF (WWF)	More, Faster, Now! Closing the emissions gap	YES
Xiamen University	Climate Change and Resilience: Co-design for Urbanization in China	YES
Yale University	Building Toward Breakthrough: Energizing Climate Change Action through Broader Engagement	YES
ZOI Environment Network (ZOI)	Climate Change Planning in Conflict Settings: Case of State of Palestine	YES
